# GENERAL INFORMATION

**TIME** - The sale will be held at the Grant County Fairgrounds at the Southwest corner of Pondcreek, Oklahoma, on US Highways 81 & 60. The sale will start promptly at 12:30 P.M. and the show will start at 9:00 A.M.

**TRANSPORTATION** - Pondcreek is on Highways 81 & 62 and just 4 miles from US 64. A modern landing strip adjoins the fairgrounds. Pondcreek is just 22 miles north of Enid which is served by an airline.

**TERMS** - Terms of the sale are cash or check to the clerk at the conclusion of the auction unless other arrangements are made in advance with the consignor from whom you purchase. Be sure to give the clerk complete information on transferring pedigrees and shipment of cattle. All stock will be at the buyers risk as soon as bid off, although naturally every precaution for the safety and well being of the animals will be exercised. Insurance will be available at the sale.

**LUNCH** - Will be available from the Northern Association at the sale.

**HEALTH** - All animals are free of T.B. and Bang's disease and health papers can be furnished for immediate shipment.

**GUARANTEE** - The cattle are sold under the standard guarantee endorsed by the American Shorthorn Ass'n. Where footnotes appear they were furnished by the consignor. The guarantee shall constitute a contract between the consignor and the buyer of each lot. Neither the sale manager or the auctioneer assume any liability of any kind.

**LIABILITY** - Although every precaution will be taken to provide for the safety and comfort of those attending this sale, all who attend do so at their own risk. Neither the consignors, auctioneer, nor the sale manager accepts any liability for accidents that may occur.

**AUCTIONEER** - Sonny Booth, Welch, Oklahoma.

**REPRESENTATIVES** - Bruce Brooks, American Shorthorn Ass'n. 723 Highpoint Dr. Apt. 8 Stillwater, Okla. 74074. Fred Ferrell III. The Drovers Journal, Stillwater, Okla. 74074. Glenn Smith, Cache, Okla. Larry North - Shorthorn World - 710 Commercial St. Atchison, Kansas.

**SALE MANAGER** - Bruce Brooks, 723 Highpoint Dr. Apt. 8 Stillwater, Okla.

# ATTENTION BUYERS & SELLERS

Each consignor shall have the right to no-sale his sale entry if the bid is not high enough. We feel this should help the seller price his product and the buyer should have some assurance against by-bidding.

## ANNUAL MEETING AND BANQUET

Be sure to attend the Annual Meeting and Banquet of the Northern Oklahoma Shorthorn and Polled Shorthorn Association. Banquet will be held at the Civic Auditorium in Pondcreek, Friday evening, November 13 at 7:00 P.M. The dinner is courtesy of the Pondcreek, Chamber of Commerce.

## MOTELS

For those who will be staying in Pondcreek, there are two fine Motels available next to the fairgrounds. Make direct arrangements with either the Aloha Motel, AC 405 KE2-6411 or the Roper Motel, AC 405 KE2-4236.

Dear Friends,

It is with regret that we announce the dispersion of the Sunnyvale Farms Shorthorn herd, which will sell through this auction. This herd of quality Shorthorns has enjoyed a great wave of success during the past several years under the careful and progressive management of Walter A. Hunt. However, other business responsibilities make it almost impossible for Mr. Hunt to carry on his registered cattle production.

You will notice that 24 lots sell under the Sunnyvale banner, and these combined with 47 other lots make up an offering of well bred, dependable performing cattle suitable to the most critical minded cattleman.

Bruce Brooks  
Sale Manager

The Sunnyvale Farms herd has been built with the use of the best bulls we could secure. Edellyn Melody Murcury, Edellyn Royal Leader 118th, Priam Royal Archer, MSU Wonder 5th, and now our son of the great Calrossie Diadem. We have always selected for natural fleshing characteristics, breed character, and gaining ability. Our cows are brood cows that mother their calves, and milk well as is evident from the cattle we offer in this sale. We were extremely fortunate to share in the ownership of the great breeding bull MSU Wonder 5th with Kansas State University and Louada Manor Farms, Peterborough, Ontario, Canada. It is with a great deal of pride we offer you the daughters and granddaughters of this great bull.

In order to accomodate the buyers of our cattle, we will pay all trucking expense on purchases of 5 Lots or more. Also, on any of our cattle which are returning to the North of Pondcreek, we will be glad to haul them as far as to our home farm at Arkansas City, Kansas.

Walter A. Hunt.

# STANDARD GUARANTEE

## OF AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such certificate is required by the seller.
6. All animals are sold to comply with the laws regulating tuberculosis and Bang's disease of the state or country into which they may be shipped.
7. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
8. Shipment will be made as soon as possible, after the close of the sale, but at purchaser's risk of loss or injury after animals are bid off.

## IOWA BEEF IMPROVEMENT ASSOCIATION

The Iowa Beef Improvement Association Sale, Colfax, Iowa, which was held this last year, is a good illustration of how the Shorthorns of today are performing. In competition with seven other breeds, Shorthorns topped all of them, including crossbreds in daily gains and in weight per day of age. In the sale that followed, the Shorthorn popularity was indicated by their \$1442 average, highest of all breeds.

## GREAT IMPROVERS

Shorthorns are the "Great Improver". According to the publication "European Breeds of Cattle" over 30 recognized breeds owe their parentage to Shorthorns. Included are Charolais, Maine-Anjou, Santa Gertrudis, Beefmaster and Angus. If you are interested in F 1 heifer programs, go with the breed that has been the most successful crossing breed for nearly 300 years. Shorthorns "quality mark" their progeny while other breeds merely "color mark" theirs.

## BUM STEER

There is no such thing as a bum steer! And we really mean that. The dependable **SHORTHORN INFLUENCE** makes it so...profitably erasing a host of unappreciable characteristics from the very first generation, then succeeding to work monetary miracles on each thereafter. **RUGGED, BEEFY, PERSISTANT SHORTHORN AND POLLED SHORTHORN BULLS....**on ordinary or best range cows, no matter their breed....assure high-percentage calf crops. As reds, whites, roans, you will find the **SHORTHORN INFLUENCE** means more "folding money" at market-time. At weaning they are heavier....finished cattle get there faster. Don't you be swayed by hearsay....ask for facts about **SHORTHORNS** before nodding "Yes" to your cattle needs.
